TENANT APPLICATION

Background Check Information Required

Provide the full names of all occupants 18 years of age or older who will reside at the property for 14 days or more.

Upon receipt of the Tenant Application Form, the Camp-A-Wyle Office will send you an application email, a background screening email, and instructions for submitting the \$35 background check fee for each individual 18 years of age or older. Once the background check is complete, you must meet—either in person or via telephone conference if you reside out of state— for an orientation with the office manager.
